GLOBALG.A.P. training solutions designed to upscale your expertise in good agricultural practices to benefit your production processes, your business, and your customers.
GLOBALG.A.P. EXPERTISE AT YOUR SERVICE

Our training, both online and face-to-face, is built on our 20+ years of certification expertise, developed using our extensive knowledge base, and delivered by our highly qualified GLOBALG.A.P. approved trainers. Covering the scopes crops, aquaculture, and livestock, our training solutions are available worldwide in several languages to meet your needs.

Our wide range of training solutions offers the perfect learning experience for all those interested in upscaling their professional knowledge, skills, and expertise in good agricultural practices and understanding the GLOBALG.A.P. system and standards.

PUBLIC AND PRIVATE TRAINING
All our training solutions are available as public training open to everyone in the industry or as private training for your organization’s staff. The perfect solution for all those interested in advancing their knowledge, skills, and expertise in good agricultural practices.

CUSTOMIZED TRAINING SOLUTIONS
All our workshops and webinars can be adapted as private training for your staff. You can also work with our highly qualified team of capacity building experts to develop customized training solutions for your company’s specific needs.
A SELECTION OF OUR WORKSHOPS:

FARM ASSURER WORKSHOPS
Ideal for consultants and Farm Assurer applicants interested in offering services based on the GLOBALG.A.P. standard. Learn more about the Farm Assurer program at www.farmassurer.org.

PRODUCER WORKSHOPS
Open to all those interested in learning about the Integrated Farm Assurance (IFA) control points and compliance criteria. Ideal for producers and producer groups seeking certification or those wishing to update their IFA compliance information.

GROUP CERTIFICATION WORKSHOPS
Ideal for all those interested in understanding how the GLOBALG.A.P. group and multisite certification system works to apply safe and responsible practices on the farm. This workshop may serve to fulfill the qualification criteria for the Inspector Training and Internal Inspector Training as specified in the IFA General Regulations (see GR II and III Annex). Please contact academy@globalgap.org to verify.

SPRING ADD-ON WORKSHOPS
Ideal for all those seeking an industry-approved solution to provide evidence documenting their efforts to manage water risks and promote sustainable water practices. Learn more about the SPRING add-on at www.globalgap.org/spring.

SUSTAINABLE RICE PLATFORM (SRP) TRAINING
GLOBALG.A.P. Academy is one of only two authorized SRP training providers worldwide and can offer the full range of SRP training solutions for producers and auditors.

PRODUCE SAFETY ALLIANCE GROWER TRAINING
Ideal for fruit and vegetable growers and others interested in learning about produce safety, the Food Safety Modernization Act (FSMA) Produce Safety Rule, good agricultural practices, and co-management of natural resources and food safety practices.

GLOBALG.A.P. ACADEMY ONLINE TRAINING – COMING SOON!
THE GLOBALG.A.P. ONLINE LEARNING EXPERIENCE
ANYTIME. ANYWHERE. AT YOUR OWN PACE.

Our new online training program will offer self-paced e-learning courses available anytime and anywhere, covering a wide range of topics related to good agricultural practices and responsible farming.

The first two GLOBALG.A.P. online courses will cover:

- Food Hygiene for Primary Production
- HACCP – Hazard Analysis and Critical Control Points

Both online courses will fulfill the training and qualification requirements for Farm Assurers and for inspectors and auditors as defined in the GLOBALG.A.P. General Regulations part III.
